

# Holiday Family Bucket List

\*\*\*TriCity Edition\*\*\*

**The directions are quite simple...**

The goal with this Family Bucket List is to carve out time EVERY DAY leading up to Christmas to do these things together. Although the events have already been created for you, it will still take some time to pick which event should go on which day based on your family's schedule. It's important to look at the limited dates on which some of these events occur (you can check the WINTER GUIDE or DAILY EVENTS pages on [FamiliesOnTheFox.com](http://FamiliesOnTheFox.com))

- STEP 1:** Print the following pages of this PDF.
- STEP 2:** Once you have decided which day each event will occur, cut them out and put them in some sort of container or bag to be opened first-thing every morning.
  - Consider putting a little treat or trinket (think: small treat, book, ornament, or item related to the task) in the bags with the Bucket List slips for added fun!
- STEP 3:** If you are uncertain about some of the tasks, visit Families on the Fox's Pinterest page (linked in the upper left-hand corner of our website. The Pinterest Board is titled, "Holiday Family Bucket List".)
- STEP 4:** Slow down and enjoy this time together.

XOXO - Chrissy
